Faculty Position in Analytical Chemistry  
Department of Chemistry  
Purdue University

The Department of Chemistry at Purdue University, West Lafayette, invites applications for a tenure-track faculty position at the Associate or Full Professor level in **Analytical Chemistry**. Successful candidates may have interests in any research area of analytical chemistry, broadly defined. Purdue has a tradition of excellence in analytical chemistry, and is currently ranked first in the country in this sub-discipline. The Department is looking to integrate a creative scientist into the cutting edge interdisciplinary environment provided by Purdue University.

Successful candidates are expected to have a doctorate degree in chemistry or related field, to have demonstrated excellence in teaching at the graduate and undergraduate levels, and to have already established a vibrant research program supported by extramural funding. Applicants should submit a letter of application with curriculum vita, a summary of planned research, and a statement on teaching philosophy electronically at: [www.chem.purdue.edu/facultyopenings](http://www.chem.purdue.edu/facultyopenings). Applicants should also arrange for three letters of recommendation to be uploaded. Applications will be reviewed beginning October 15, 2015, and will remain in consideration until the position is filled.

A background check will be required for employment in this position. Purdue University is an ADVANCE institution.

Purdue University is an EEO/AA employer fully committed to achieving a diverse workforce. All individuals, including minorities, women, individuals with disabilities, and protected veterans are encouraged to apply.
