Go to the LBC Blackboard site (edu/lbc), log in, and determine into which category the activity falls. You may submit reports on activities up through your next Classroom Certificate submission.

Consult the appropriate report form and complete your report.

The sooner you complete a report after an activity finishes, the fresher it will be in your mind and the easier the report will be to write.

You can schedule an appointment with me by emailing tclarks@purdue.edu.

I'm available this summer to meet with you! Check out my services below to see if you would like to schedule a career consultation.

Discuss how to navigate internship, research, and job opportunities.

Provide you with targeted resource material in order to better understand career options and requirements related to your fields of interest.

Interpret career interest inventories. Learn more about inventories offered:

- Myers Briggs Type Indicator
- O*Net
different occupational choice

- PSU Assessment for Vocation and Employment
- Fontaine's Career Development Inventory
