

## Tenure-Track/Tenured Faculty Positions

The Department of Computer Science in the College of Science at Purdue University solicits applications for at least two tenure-track or tenured positions at the Assistant, Associate or Full Professor levels in areas of computer science. This search is in addition to the separate searches in the areas of theory, cybersecurity, databases and machine learning, and an interdisciplinary hiring effort in data science.

Applicants should hold a PhD in Computer Science or a related discipline, have demonstrated excellence in research and strong commitment to teaching. Successful candidates will be expected to conduct research in their fields of expertise, teach courses in computer science, and participate in department and university activities.

These positions are part of a continued expansion in a large-scale hiring effort across key strategic areas in the College of Science. Under new leadership, the college is pursuing significant new initiatives which complement campus-wide thrusts including an Integrative Data Science Initiative.

The Department of Computer Science offers a stimulating academic environment with active research programs in most areas of computer science. The department offers undergraduate programs in Computer Science and Data Science, and graduate MS and PhD programs including a Professional MS in Information Security. For more see <https://www.cs.purdue.edu>.

Applicants should apply online at <https://hiring.science.purdue.edu>. A background check will be required for employment. Review of applications and interviews will begin in October 2018, and will continue until the positions are filled. Inquiries can be sent to [fac-search@cs.purdue.edu](mailto:fac-search@cs.purdue.edu).

Purdue University's Department of Computer Science is committed to advancing diversity in all areas of faculty effort, including scholarship, instruction, and engagement. Candidates should address at least one of these areas in their cover letter, indicating their past experiences, current interests or activities, and/or future goals to promote a climate that values diversity, and inclusion. Salary and benefits are competitive, and Purdue is a dual-career friendly employer.

**Purdue University is an EOE/AA employer. All individuals, including minorities, women, individuals with disabilities, and veterans are encouraged to apply.**
