What’s New in Science Express?

- Please remember we require a one week notice on all equipment request – NO EXCEPTIONS.
- We still have a lot of teachers that have not filled out their teacher information forms. It can be found HERE.
- Also, a lot of teachers have not emailed us their Statement of Assurances yet.
- There will be an abbreviated new teacher training on January 24th here at Purdue. This will only cover Vernier equipment and basic Science Express procedures. Please RSVP HERE.
- We have added an ICP section to our “Labs” webpage. We also added some kits geared towards an ICP class: Exploring Kinetics, Density, and A Good Sock.

Upcoming Events

- 1/24 – New teacher training, 8:30am @ Purdue
- 6/25 – Science Express Recertification Training, 8:30-3 @ Purdue
- 7/15 - Science Express Recertification Training, 8:30-3 @ Purdue
- 7/16-18 – New Teacher Training, 8:30-3 @ Purdue

Happenings

- The summer 2019 Science Express recertification and new teacher training dates are set. There will be teacher recertification workshops on June 25th and July 15th. New teacher training will be July 16-18. The registrations are not up and running yet, but we wanted to give everyone as much notice as possible.
- David Sederberg, the Purdue K12 Physics Outreach Coordinator, is again offering Saturday Morning Astrophysics (SMAP). You can find details about the program as well as the dates and times HERE.
- Please find Science Express and like us on Facebook: @PurdueSE
